

Opinion No. 2009-085

November 4, 2009

The Honorable Charlie Daniels  
Secretary of State  
State Capitol, Room 256  
Little Rock, Arkansas 72201-1094

Dear Mr. Daniels:

This is in response to your request, pursuant to A.C.A. § 7-9-110 (Supp. 2009), for my preparation of the popular name for a resolution of the General Assembly passed at the 2009 regular session.<sup>1</sup> This resolution, Senate Joint Resolution 3 (Issue No. 1), proposes a new constitutional amendment that will be referred directly to the electorate by the 87<sup>th</sup> General Assembly. This measure will appear on the state's November 2, 2010, general election ballot.

The popular name for this proposed amendment is hereby fixed and declared as follows in order to distinguish and identify the measure, *see generally Becker v. Riviere*, 277 Ark. 252, 641 S.W.2d 2 (1982) and *Walmsley v. McCuen*, 318 Ark. 269, 885 S.W.2d 10 (1994):

---

<sup>1</sup> Subsection 7-9-110(a) requires me to “fix and declare the popular name by which each amendment to the Constitution . . . shall be designated.” This mandate includes not only constitutional amendments proposed by the people under Arkansas Constitution, Amendment 7, *see* A.C.A. § 7-9-107 (Repl. 2007), but also constitutional amendments submitted to the people by the General Assembly pursuant to Arkansas Constitution, article 19, section 22. *See* A.C.A. § 7-9-101(2) (Repl. 2007) (defining “amendment” to include amendments proposed by the General Assembly). I have no statutory authority, however, with respect to any ballot titles for the latter measures. *See* Op. Att’y Gen. 96-096 and A.C.A. § 7-9-204 (Repl. 2007) (stating that: “[t]he title of the joint resolution proposing an amendment to the Arkansas Constitution shall be the ballot title of the proposed constitutional amendment.”).
