ATTORNEY GENERAL
LESLIE RUTLEDGE

Opinion No. 2016-097

September 26, 2016

Mary L. Berry, Sponsor
Post Office Box 511
Summit, AR 72677

Dear Ms. Berry:

I am writing in response to your request for certification, pursuant to Ark. Code Ann. § 7-9-107 (Supp. 2015), of the popular name and ballot title for a proposed initiated measure.

At the outset, I wish to make clear to you that the decision to certify or reject a popular name and ballot title is in no way a reflection of my view of the merits of a particular proposal. I am not authorized to, and do not consider the merits of the measure when making my determination to certify or reject a popular name and ballot title.

The Attorney General is required, pursuant to Ark. Code Ann. § 7-9-107, to certify the popular name and ballot title of all proposed initiative and referendum acts or amendments before the petitions are circulated for signature. The law provides that the Attorney General *may, if practicable*, substitute and certify a more suitable and correct popular name and ballot title. Or, if the proposed popular name and ballot title are sufficiently misleading, the Attorney General may reject the entire petition.

Section 7-9-107 neither requires nor authorizes this office to make legal determinations concerning the merits of the act or amendment, or concerning the likelihood that it will accomplish its stated objective. In addition, consistent with Arkansas Supreme Court precedent, unless the measure is “clearly contrary to

law,”¹ this office will not require that a measure’s proponents acknowledge in the ballot title any possible constitutional infirmities.² Consequently, this review has been limited primarily to a determination, pursuant to the guidelines that have been set forth by the Arkansas Supreme Court, discussed below, of whether the popular name and ballot title you have submitted accurately and impartially summarize the provisions of your proposal.

The purpose of my review and certification is to ensure that the popular name and ballot title honestly, intelligibly, and fairly set forth the purpose of the proposed amendment or act.³

REQUEST

You have requested certification, pursuant to Ark. Code Ann. § 7-9-107, of the following popular name and ballot title for a proposed constitutional amendment:

RESPONSE

The popular name is primarily a useful legislative device.⁴ It need not contain detailed information or include exceptions that might be required of a ballot title, but it must not be misleading or give partisan coloring to the merit of the

⁴ *Pafford v. Hall*, 217 Ark. 734, 739, 233 S.W.2d 72, 75 (1950).

proposal.⁵ The popular name is to be considered together with the ballot title in determining the ballot title's sufficiency.⁶

The ballot title must include an impartial summary of the proposed amendment or act that will give the voter a fair understanding of the issues presented.⁷ According to the Court, if information omitted from the ballot title is an "essential fact which would give the voter serious ground for reflection, it must be disclosed."⁸ At the same time, however, a ballot title must be brief and concise;⁹ otherwise voters could run afoul of Ark. Code Ann. § 7-5-309's five-minute limit in voting booths when other voters are waiting in line.¹⁰ The ballot title is not required to be perfect, nor is it reasonable to expect the title to cover or anticipate every possible legal argument the proposed measure might evoke.¹¹ The title, however, must be "free of any misleading tendency whether by amplification, omission, or fallacy, and it must not be tinged with partisan coloring."¹² The ballot title must be honest and impartial,¹³ and it must convey an intelligible idea of the scope and significance of a proposed change in the law.¹⁴

⁵ See, e.g., *Chaney v. Bryant*, 259 Ark. 294, 297, 532 S.W.2d 741, 743 (1976); *Moore v. Hall*, 229 Ark. 411, 316 S.W.2d 207 (1958). For a better understanding of the term "partisan coloring," see note 12 *infra*.

¹¹ *Id.* at 293, 844 S.W.2d at 946-47.

¹² *Id.* at 284, 884 S.W.2d at 942. Language "tinged with partisan coloring" has been identified by the Arkansas Supreme Court as language that "creates a fatally misleading tendency" (*Crochet v. Priest*, 326 Ark. 338, 347, 931 S.W.2d 128, 133 (1996)) or that "gives the voter only the impression that the proponents of the proposed amendment wish to convey of the activity represented by the words." (*Christian Civic Action Committee v. McCuen*, 318 Ark. 241, 249, 884 S.W.2d 605, 610 (1994)).

Furthermore, the Court has confirmed that a proposed measure cannot be approved if the text of the proposal itself contributes to confusion and disconnect between the language in the popular name and the ballot title and the language in the proposed measure.¹⁵ The Court concluded that “internal inconsistencies would inevitably lead to confusion in drafting a popular name and ballot title and to confusion in the ballot title itself.”¹⁶ Where the effects of a proposed measure on current law are unclear or ambiguous, it is impossible for me to perform my statutory duty to the satisfaction of the Arkansas Supreme Court without (1) clarification or removal of the ambiguities in the proposal itself, and (2) conformance of the popular name and ballot title to the newly worded proposal.

It is my opinion, based on the above precepts, that a number of additions or changes to your ballot title are necessary in order to more fully and correctly summarize your proposal. I cannot, however, at this time, fairly or completely summarize the effect of your proposed measure to the electorate in a popular name or ballot title without the resolution of the ambiguities in the text of the measure itself. And thus I cannot determine precisely what changes to the ballot title are necessary to fully and correctly summarize your proposal. It is therefore not appropriate, in my opinion, for me to try to substitute and certify a more suitable and correct popular name and ballot title pursuant to Ark. Code Ann. § 7-9-107(b). Instead, you may, if you wish, redesign the proposed measure and ballot title, and then resubmit for certification. In order to aid your redesign, I highlight below the more concerning ambiguities in the *text* of your proposal.

1. The definition of “marijuana license” in section 3(e) refers to cultivating, etc., “*marijuana* and products produced from marijuana for recreational and medical purposes.” (Emphases added.) In connection with this submission, you revised the definitions of “medical marijuana” and “recreational marijuana,” contained in sections 3(h) and (k) respectively, to consist only of “products produced from marijuana,” and not the cannabis plant itself. These provisions are inconsistent and make it impossible to determine whether the proposal is intended to permit use of the unprocessed cannabis plant for medical and recreational purposes. The new usage is inconsistent with a number of other provisions as well. See, for example, section 5(a), which provides for a license to cultivate, etc.,

¹⁵ Cf. *Roberts v. Priest*, 341 Ark. 813, 825, 20 S.W.3d 376, 382 (2000).

¹⁶ *Id.*

“marijuana and products produced from marijuana for recreational and medical purposes....”

2. The previous version of your proposal used the phrase “medical or recreational marijuana” in two places in section 3(f), defining “marijuana paraphernalia.” In connection with this submission, you revised *one* of the occurrences of that phrase to read “marijuana and products produced from marijuana” but left the other occurrence unchanged. No reason appears for the difference in language between the two occurrences, which introduces uncertainty and ambiguity.

CONCLUSION

The ambiguities noted above are not necessarily all the ambiguities contained in your proposal, but they are sufficiently serious to require me to reject your popular name and ballot title. I am unable to substitute language in a ballot title for your measure due to these ambiguities. Further, additional ambiguities may come to light on review of any revisions of your proposal.

My office, in the certification of ballot titles and popular names, does not address the merits, philosophy, or ideology of proposed measures. I have no constitutional role in the shaping or drafting of such measures. My statutory mandate is embodied only in Ark. Code Ann. § 7-9-107, and my duty is to the electorate.

Based on what has been submitted, my statutory duty is to reject your proposed ballot title for the foregoing reasons and instruct you to redesign the proposed measure and ballot title.¹⁷ You may resubmit your proposed act along with a proposed popular name and ballot title at your convenience.

Sincerely,

LESLIE RUTLEDGE
Attorney General
